### **Aims & Scope**

The Journal of Islamic Perspective is a publication of the Center for International Studies and aims to create a dialogue between intellectuals, thinkers and writers from the Islamic World and academics, intellectuals, thinkers and writers from other parts of the Globe. Issues in the context of Culture, Islamic Thoughts & Civilizations, and other relevant areas of social sciences, humanities and cultural studies are of interest and we hope to create a global platform to deepen and develop these issues in the frame of an Islamic Perspective. Contributions to *Islamic Perspective* do not necessarily reflect the views of the editorial board or the Center for International Studies.
